Quaitbey. We explore this attractive fortress, which was built on the site of the legendary Lighthouse of Alexandria, one of the Seven Wonders of the Ancient World, which was destroyed by a powerful earthquake 1323AD.

After hotel check in and time to freshen up we'll head out for a drive along the corniche followed by dinner (included). Seafood, mixed grill and vegetarian options available. **Overnight - Alexandria (B, D)**

Day 3 : El Alamein

Today we visit the Commonwealth War Graves of el Alamein. It is here where two extended battles were fought during World War II. The first began on the 1st July 1942 and lasted for 27 days, it ended as a stalemate. After 3 months of holding the defences the Allies launched a second attack which lasted for 13 days. This saw the Allied forces (including British, Australian and New Zealand soldiers) push back the Axis powers for ultimate defeat in Tunisia. Some 13,000 Allied soldiers were killed and 70,000 were wounded in the battle.

Later, we tour the compact El Alamein military museum that acts as a memorial for the battle and houses lots of original war vehicles, weapons, uniforms and records. Displays in the museum detail the complete history of World War II in North Africa from all sides and stands on the site where the actual battle took place. This afternoon we return to Cairo.

Note: Today a very simple packed lunch will be provided, that we will take with us from Alexandria. To ensure that we have enough food for the day ahead (as El Alamein is very remote) on the evening of day 2, a stop will be made at a supermarket for us to buy a few

more items for the day ahead. **Overnight - Cairo (B, L)**

Day 4 : Cairo Free Day

Enjoy a free day in Cairo before the rest of your Egyptian adventure. Relax by the hotel pool or join our optional Backstreets of Cairo tour (best booked prior with your consultant), which departs the hotel at 10am and takes you off the beaten track in Egypt's bustling capital, visiting Downtown Cairo, the exquisite mosques and monuments of El Moez Street in Islamic Cairo, Garbage City and the incredible Cave Church of St. Simon. **Overnight - Cairo (B)**

Day 5 : Pyramids of Giza & Saqqara

Today we visit the famous pyramids and iconic Sphinx at Giza Plateau. Sole survivors from the ancient Greek-listed Seven Wonders of the World, the pyramids are the planet's oldest tourist attraction! Known as Cheops, Chephren and Mycerinus, the pyramids were already more than 2,000 years old when Herodotus the Greek historian visited them (5th century BC). A highly skilled corps of mathematicians, masons, surveyors and stonemasons carried out the job of building the pyramids. 100,000 workers were used for the backbreaking task of moving and laying the stones of the largest pyramid-Cheops and around 2.5 million limestone blocks, quarried locally and weighing in excess of 6 million tonnes, were used in its construction.

We then visit a government supervised papyrus emporium where you can buy genuine papyrus at quite reasonable prices.

Our next stop is the necropolis of Saqqara, we can explore the myriad tombs and temples at this site and see Zoser's step pyramid -

constructed by Imhotep, the pharaoh's chief architect in 2700 BC!

Today's lunch break will take place prior to our tour of Saqqara or after depending on the heat, time of year you are travelling and traffic on the day. Your guide will keep you updated. This evening offers free time or you can opt to attend the Pyramids Sound & Light Show. Entrance fees and tip kitty will be collected today. **Overnight - Cairo (B)**

Day 6 : The Egyptian Museum

Cairo - Aswan. We take a guided tour of the vast new Grand Egyptian Museum in Giza this morning. In this incredible 490,000 sq.m complex we'll discover a mind-boggling array of relics and antiquities from almost every period of ancient Egyptian history, including the treasures of King Tutankhamun. The afternoon offers free time before we board the overnight sleeper train to Aswan this evening.

Note: The Grand Egyptian Museum is set to open in 2020. An official date has yet to be released. If travelling prior to the opening of the new facility we'll visit the Egyptian Museum this morning. **Overnight - Sleeper Train (B)**

Day 7 : Aswan & the Philae Temple

This morning we arrive into Aswan and enjoy a short boat trip to Agilika Island for Philae Temple - dedicated to the goddess Isis. The temple dates from 4th century BC but the Ptolomies and the Romans up to 3rd century AD built most of the existing structures.

Upon returning to Aswan we visit a perfume oil emporium. The use of essential and perfumed oils in Egypt dates back to 2700BC. Perfumed oils were used by women, pharaohs and by temple priests for worship who offered

a melange of 6 perfumes called Kyphi to the Sun God at dawn, noon and dusk. At the perfumery, there's a million and one exquisite glass bottles filled with perfumed oils that make for a truly authentic Egyptian gift. For those that are not interested there is a supermarket nearby where you can use the opportunity to purchase snacks and incidentals.

Then check-in on board your Nile Cruiser which will be home for the next three nights. Later, there is free time to perhaps enjoy some shopping in the colourful souks and markets or simply relax in this attractive town which straddles the River Nile.

5 STAR NILE CRUISER: You will be provided with the cruising schedule upon arrival to Aswan. Cruise schedules vary. Boarding of the cruise ship will be on day 7 for a period of 3 nights, or on day 8 for a period of 3 nights. Facilities on board the Nile cruiser include a bar, lounge, dining room and outdoor recreation area. The boat deck offers plenty of space for relaxation and there is a swimming pool. Your outward facing cabin located on the main or upper deck offers air-conditioning, a private bathroom and views of the Nile as we sail. In the evening, low-key entertainment is on hand. All meals are included, buffet style.

Your cruiser will sail for a total duration of 8 - 12 hours covering a distance of 212km (split between 2 of the 3 days you are on board). The remainder of the time the boat is in dock in either Aswan, Luxor or at sightseeing stops en route. Views will be obstructed whilst the cruiser is in dock as ships dock side by side. You may also need to cross the reception of other boats the reach your vessel. Free time is offered during this time to independently explore whilst docked when sightseeing is not included. **Overnight - Aswan - Nile Cruiser** (B, L, D)

Day 8 : Nile Cruising & optional Abu Simbel

Aswan – Nile cruise - Kom Ombo. Optional early morning excursion to Abu Simbel. Travelling due south through the vast sandy desert we arrive at the site. Abu Simbel - the gargantuan rock-cut temple of King Ramses II, the Great Builder is possibly the most awe-inspiring temple of all ancient Egypt, with its mammoth rock-cut façade. Abu Simbel was created to revere the mighty pharaonic ruler King Ramses II. Guarding the entrance to the temple, the four famous colossal statues of Ramses II sit majestically, staring out across the desert, seemingly since time began. In a multi-million dollar operation in 1972, the temple was famously re-located further up from the shoreline of Lake Nasser, which had threatened to erode the foundations of this monolithic temple complex.

If you choose not to embark upon this optional excursion, there is plenty to do in Aswan, before the early afternoon departure on our 5 star Nile cruiser. Explore Aswan and its beautiful shoreline and corniche or perhaps do a spot of shopping.

Our Nile Cruiser departs Aswan this afternoon and we cruise the River Nile to Kom Ombo where we disembark to visit the temple which is dedicated to the crocodile headed god - Sobek before returning to the cruiser.

Please note: For those who book the optional excursion to Abu Simbel, the cruiser remains in port until your return from Abu Simbel. On a rare occasion the ship may have already set sail from Aswan by the time we return, if this happens you will be transferred by road to the nearest dock to rendezvous with your cruiser.

Overnight - Nile Cruiser (B, L, D)

Day 9 : Nile Cruising

Nile Cruise - Luxor. Relax, enjoy a swim in the pool and chill out in the sun on deck this morning. Let your troubles melt away as we cruise the River Nile to Luxor. Home of the legendary Valley of the Kings and Temple of Karnak, 4000 year-old Luxor is ancient Egypt at its best. Arriving into Luxor this afternoon the rest of the day is free to explore the city before we spend our final night aboard the cruiser.

The port of Edfu is an included stop in most Nile cruise itineraries however we do not offer a guided tour to the temple in our arrangements as only mode of transport available to visit the Edfu temple is by locally managed horse and carriages. As a responsible travel focused business, animal welfare is extremely important to us and we want to ensure that we are not promoting any activities where working animals are not properly cared for. Unfortunately, many horse and carriage operators have been found to be in breach of animal welfare guidelines and it is, for this reason, we no longer include the visit to Edfu Temple on our tours.

In addition to the animal welfare concerns, we have had a substantial amount of feedback suggesting that the experience itself is uncomfortable due to the pushy nature of the vendors and local suppliers outside the site. While we do not include a visit to the site, it is possible for you to do so. The decision is ultimately up to you. **Overnight - Luxor - Nile Cruiser** (B, L, D)

Day 10 : Luxor

This morning we disembark and check into our 5 star Luxor hotel. The day is free to enjoy the hotel facilities, relax and explore.

Tonight, we have the opportunity to visit Luxor Temple with dinner afterwards. Built by Amenophis III, Luxor Temple looks stunning at night when it's illuminated by hundreds of lights. Book/pay locally at approx USD\$25 including entrance fees and buffet dinner. Remainder of the evening is at leisure.

Overnight - Luxor (B)

Day 11 : Valley of the Kings

Luxor - Cairo. This morning we cross to the West Bank of the Nile for the day's touring. An early start allows us to avoid some of the fierce heat as we venture to the awesome Valley of the Kings. The first monument you'll see on the West Bank is the imposing 18m-high Colossi of Memnon, which represent the remains of the temple of the hedonistic Amenophis III.

The Valley of the Kings is studded with often highly decorated pharaoh's tombs, some of which you can enter. Some of the tombs are so well preserved; the colours of the incredible pharaonic friezes are still as vibrant as when they were first painted. The best known tombs are those of Ramses II, Seti I, Amenhotep II and of course, the tomb of King

Tutankhamun. If open, an additional entrance fee applies to visit King Tuts' tomb.

After the Valley of the Kings we visit Deir al- Bahri, otherwise known as the Temple of Queen Hatshepsut. Rising out of the desert plain, in a series of terraces, it is one of Egypt's finest and most photographed monuments.

A short stop will also be made at an Alabaster workshop. Stone carving is a trade that has existed on the West Bank since pharaonic times. Carving the stone is a trade passed on generation after generation, for most residents of the west bank and is their sole trade and income.

We return to the east bank around midday, where we have a chance to relax by the hotel pool. Meeting up mid afternoon, we visit the colossal Temple of Karnak. More than a temple, Karnak is a spectacular complex of sanctuaries, pylons, chapels, halls and obelisks, all dedicated to the Theban gods and to the greater glory of Egypt's Middle and New Kingdom rulers. Tonight, we return by overnight sleeper train to Cairo.

Note: The Valley of the Kings ticket includes entry to 3 tombs. A subset of the 64 tombs at the site are open at any point in time and your guide will offer advice on the best ones to visit on the day. The tomb of King Tutankhamun is nearly always open and requires an additional entrance fee to visit. **Overnight - Sleeper Train (B)**

Day 12 : Free time in Cairo

After arriving to Cairo this morning the remainder of the day offers free time. Choose to relax by the hotel pool, independently explore the capital or join an optional excursion to Khan el Khalili Market for some last minute souvenir shopping. **Overnight - Cairo (B)**

Day 13 : Cairo

Sunday. Hotel check out and included onward departure transfer to airport. (B)

KNOW BEFORE YOU GO

Entrance fees

Entry fees to sites of antiquity are not included, although reasonably priced. In Egypt, we collect entrance fees on Day 2 of the tour (the amount is noted under exclusions on the first page of this document). A breakdown of the entrance fee total is provided upon arrival. Entrance fees and optional excursions that you may wish to

undertake are payable in local currency - Egyptian Pounds (EGP).

Tours that travel onwards:

To Jordan - Entrance fees in Jordan are payable at the Welcome Meeting in Jordan, in Jordanian Dinar (JD).

To Israel - On our *Pyramids Petra Promised Lands* tour, entrance fees are included.

Tip kitty

At the start of your tour we will collect a tip kitty (the amount is noted under exclusions) from all tour participants to cover tips throughout your holiday. This saves you the hassle of knowing when and how much to tip bellhops, luggage luggers, bus drivers, antiquity guards, train conductors and other support staff throughout the tour. Your tip kitty in Egypt is collected in Egyptian Pounds (EGP).

If you are travelling to Jordan, the tip kitty for this part of your holiday is collected in Jordanian Dinar (JD). If you are travelling to Israel we do not collect a tipping kitty.

This amount does not include a tip for your tour guide. For a job well done, we suggest USD\$5-7 per day, per traveller for your guide. Tipping your guide and crew is an entirely personal gesture and ultimately the amount is up to you.

Travelling by overnight Train

For journeys between Cairo and Aswan and/or Luxor on our Signature tours, and from Luxor to Cairo on our Budget tours, we utilise the overnight 1st class sleeper train service (excludes *Treasures of the Nile* tour). The train cabins are equipped with two beds (one above the other), a basin, electric points, air conditioning and are lockable. Freshly laundered bedding is provided and in the early evening an attendant will come round and make up your bed for you. A simple dinner and breakfast is included on the service. The dinner that is served within an hour of boarding is of a very average standard, so we recommend that you eat dinner prior to boarding. A basic breakfast is served in the morning and tea and coffee is offered complimentary. Toilets are located at the end of each carriage and a bar carriage is located toward the centre of the train where hot

and cold beverages can be purchased, and sometimes alcohol.

The sleeper train is the highest class of rail travel available in Egypt, though by western standards it would be considered of a moderate standard. We always request cabins to be side by side in the same carriage, though ultimately the location of our cabins, and whether they are together rests with the rail authority.

If you are a solo traveller and have opted to share a room for your tour and not pay the single supplement you will be sharing a cabin with another On The Go traveller, or if this isn't possible, a member of the public (of the same gender).

RAMADAN

Ramadan is a month of fasting observed by Muslims throughout the world and adherents of the Muslim faith fast during daylight hours and break their fast with lavish meals and lively celebrations in the evening. Many shops (excluding those which cater mainly to tourists) and attractions close earlier, as such we will start our tour earlier to make the best use of time and itineraries may be slightly altered to ensure we visit all attractions, leisure time will be offered in the afternoon. Non-Muslims are not expected to fast over Ramadan, but it is considered impolite to eat food or drink on the street. NOTE: Traffic is exceptionally heavy during Ramadan, especially toward the time of breaking the fast. Forthcoming Ramadan dates are: 12 Apr – 11 May 2021 (approx)

Shopping in Egypt

For those that enjoy shopping, Egypt is a virtual Aladdin's Cave. Top buys include - perfume concentrate, rugs, backgammon boards, shisha pipes, Egyptian cotton clothing and authentic papyrus. When bartering for goods, set your budget, don't be swayed and remember the caveat – 'let the buyer beware.'

In the tourism industry it's common practice for commission to be offered in exchange for

recommending particular shops or suppliers. This can become an issue when clients feel obliged to purchase. We do our best to avoid this by monitoring all shopping experiences offered.

All shopping experiences on your tour have been noted in the itinerary and they have been carefully selected based upon positive feedback from On The Go travellers. You are under no obligation to partake in a listed shopping experience and you are most welcome to wait inside or outside the premises.

Although we only visit reputable retailers, please note that we cannot explicitly guarantee the quality of their products. All purchases made whilst on holiday with us are at your own discretion. Please make sure that you are completely happy with your purchase. On The Go cannot be held responsible for any items that you buy if they fail to meet expectation, or any shipping arrangements. Proceed with caution.

Camera fees

At some sites there is an additional fee for use of a camera or video. Camera/video (not professional) fees range between USD \$3–30 per site. There is no fee for taking photographs at the Pyramids of Giza and Saqqara. The cost for using camera inside Valley of the Kings (though not permitted inside the tombs) is approx. USD\$20. The cost for photographing the treasures inside the Egyptian Museum is generally USD\$6.
