The hotels we've selected for pre/post tour accommodation factor in comfort and traveller's needs - such as proximity to local transport, restaurants, shops and attractions. On all our programs, we utilise superior tourist class hotels (locally rated as 3 - 4 star) with the emphasis on accommodating you in well-managed hotels that factor in comfort, cleanliness and a modest range of guest facilities rather than putting on the Ritz. All guest rooms offer an en suite bathroom, a television and occasionally a fridge. Most of our Croatian hotels offer a range of guest facilities such as a restaurant or coffee shop and sometimes-additional facilities such as a bar, shops, and currency exchange.

## Families Onboard

On occasion family groups, including parents with children may form part of your sailing group. If you specifically do not wish to travel with one or two children onboard, please let us know at time of booking so we can aim to make the necessary arrangements of your request.

## Captain's Call

The Captain has the right to change the scheduled route at any point in time to ensure the safety of all travellers and to ensure the cruiser stays on schedule. Changes may become necessary due to weather, sea

conditions, port regulations or any other reason.

## Life Onboard

### Luggage

You will need to use a large holdall or rucksack rather than a suitcase due to limited space in the cabins.

### What will I eat?

Aboard the cruise, breakfast and lunch is provided. The cooked breakfast includes eggs and bacon, in addition to tea or coffee, fruit juice, bread, butter and preserves. Lunch will include a starter of home made soup or pasta and a main course comprising either fish, meat or chicken with a minimum of two sides (potatoes, cabbage, other vegetables) and side salad and dessert. Dessert will be either seasonal fruits or perhaps pancakes. All menus are designed and cooked by the onboard cook.

### Is there a bar onboard?

A bar operates on board all boats. Prices are in line with those one will pay in port at bars/cafes for beers, wines, basic spirits, mixers, soft drinks and bottled mineral water. Since there is a bar aboard, it is not possible to consume personal supplies of alcohol or beverages not purchased aboard. If you were found to be flouting this rule, you would be asked to consume such personal supplies when ashore. The same would happen if you were drinking BYO drinks in a hotel lobby! You'd be asked to consume the drink(s) beyond the confines of the hotel!

### Can I smoke onboard?

Smoking is restricted to outside only – On deck.

### Should I book an 'on deck' or 'below deck' cabin?

There are small differences between 'above deck' and 'below deck' cabins. 'Above deck' cabins are arranged on the main or top deck of the boat and have windows allowing fresh air and views. Whilst 'below deck' cabins are arranged within the hull of the boat below the main deck. 'Below deck' cabins may have port holes, but these will not necessarily open.

## KNOW BEFORE YOU GO

## Visas

Please be advised that visa requirements are subject to change and that visa procurement is the responsibility of the traveller and not On The Go Tours, therefore it is essential that you check current visa requirements with the embassy before travel. Please also ensure that your passport is valid for at least 6 months from your planned date of departure from Croatia.

UK, Australia, New Zealand, Canada and USA passport holders don't require a visa for a stay of less than 90 days.

South African passport holders REQUIRE a visa (issued before departure). Requirements for the procurement of a Croatian visa are subject to change but application requirements include the need to show proof of sufficient funds to cover duration of stay, proof of pre-paid accommodation or documentation regarding the purpose and means of travel (such as a return or onward ticket, details of holiday arrangement etc).

## Health Requirements

You should seek medical advice before travelling to Croatia from your local health practitioner and ensure that you receive all of the appropriate vaccinations. As a guide Diphtheria, Hepatitis A and Tetanus is strongly recommended. The tap water in Croatia is generally considered safe to drink, but as a precaution against stomach upsets you may want to drink bottled mineral water, which is readily available from shops, hotels and restaurants.

## Holiday Money

The official currency in Croatia is the Croatian Kuna.

Any money paid locally for optional excursions that you may wish to partake in can be paid in local currency only - Kuna.

If travelling with Euro, British Pounds, US Dollars and other major currencies these can be exchanged locally or in advance of departure. Internationally recognized debit/credit card can be used for cash machine withdrawals (available in all bigger towns). It's advisable to request bank notes in smaller denominations, as it can sometimes be hard to get change from large notes and smaller notes are handy for smaller purchases

Croatia was part of the Austro-Hungarian Empire until the end of World War I. In 1918, the Croats, Serbs, and Slovenes formed a kingdom known as Yugoslavia. Following World War II, Yugoslavia became a federal independent Communist state under the strong hand of Marshal TITO. Although Croatia declared its independence from Yugoslavia in 1991, it took four years of sporadic, but often bitter, fighting before occupying Serb armies were mostly cleared from Croatian lands. Under UN supervision, the last Serb-held enclave in eastern Slavonia was returned to Croatia in 1998.

## Changing money, credit cards & ATMs

The easiest way to obtain money in Croatia is to draw it out of an ATM (cash machine) on a credit or debit card (e.g. visa or cirrus). ATMs are widely available throughout Croatia and credit cards are accepted in many restaurants and shops. Another option is to bring cash, in either US dollars or euros (pounds sterling and other currencies cannot always be easily changed) but we advise against bringing all your money in this form, in case of theft.
