Day 4: Philae Temple & Abu Simbel

Aswan - Abu Simbel. Arrive Aswan, today check in aboard your 5 star Nile cruiser which will be home for the next three nights.

Then enjoy a short boat trip to Agilika Island where we visit the picturesque Philae Temple, dedicated to the goddess Isis. Upon returning to Aswan we visit a perfume oil emporium. The use of essential and perfumed oils in Egypt dates back to 2700BC. Perfumed oils were used by women, pharaohs and by temple priests for worship who offered a melange of 6 perfumes called Kyphi to the Sun God at dawn, noon and dusk. At the perfumery, there’s a million and one exquisite glass bottles filled with perfumed oils that make for a truly authentic Egyptian gift. For those that are not interested there is a supermarket nearby where you can use the opportunity to purchase snacks and incidentals.

Back on board the cruiser there will be time to rest and recuperate before departing in the early hours of the morning on our coach journey toward the Temples of Abu Simbel. Here we will await the first rays of sunlight to touch the temple gate signifying the start of the Sun Festival of the mighty King Ramses II.

Day 5: ABU SIMBEL SUN FESTIVAL

22 February. Abu Simbel - Aswan - Nile Felucca Sailing. Possibly the most awe-inspiring temple in all ancient Egypt, the great Sun Temple of King Ramses II at Abu Simbel was constructed between 1290 and 1224 BC to revere the mighty pharaonic ruler himself. Ramses the Bold, Ramses the Great, Ramses the Narcissist are perhaps all apt titles for one of ancient Egypt’s most powerful rulers.

Built by Ramses II to demonstrate his political clout and divine backing to the ancient Nubians, Abu Simbel is an incredible self-tribute. Guarding the entrance to the temple, hewn into the side of a mountain, are four colossal statues of the pharaoh himself. Over
Sunchaser Feb 2020 with Cruise

the centuries, the desert sands imperceptibly shifted until the temple was all but lost to humanity. It was rediscovered by chance in 1813 by a Swiss explorer called John Lewis Burckhardt. Only one of the heads of the pharaohs was showing and a small part of the rest of the temple peeked above the desert sands. It wasn't until the British happened upon the temple and started excavating that the full glory of Abu Simbel was revealed to the modern world. The other rock cut temple at Abu Simbel is the Temple of Hathor, which is fronted by six massive standing statues. Four of them represent King Ramses II, whilst the other two are of his beloved wife, Queen Nefertari.

In a fit of precision and architectural egotism, Ramses II had the Great Temple carefully angled and oriented in order that the sun's rays would align twice a year on the date of his ascension to the throne (21 February) and on his birthday (21 October) to illuminate the inner sanctum of the temple. This incredible phenomenon provides for a most spectacular sight, which has come to be referred to as the Sun Festival of King Ramses II. Crowds assemble in to the temple before sunrise and watch the shafts of light slowly creep through the inner Hypostyle Hall and through to the Sanctuary. Significantly, the sun illuminates statues of Amun-Re, Re-Herakhte and Ramses at Abu Simbel is the Temple of Hathor, which is fronted by six massive standing statues. Four of them represent King Ramses II, whilst the other two are of his beloved wife, Queen Nefertari.

Famously, the temple was re-located in a multi-million dollar operation in 1972, further up from the shoreline of Lake Nasser, which had threatened to erode the foundations of this monolithic temple complex. For this reason, the sun now strikes a day later than Ramses had originally planned, though the event this morning itself is no less stunning.

After watching this incredible event unfold we return to Aswan. Our Nile Cruiser departs Aswan this afternoon and we cruise the River Nile to Luxor. Home of the legendary Valley of the Kings and Temple of Karnak, 4000 year-old Luxor is ancient Egypt at its best. Arriving into Luxor this afternoon the rest of the day is free to explore the city before we spend our final night aboard the cruiser. **Overnight - Nile Cruiser (B, L, D)**

**Day 6 : Nile Cruise to Luxor**

Nile Cruise - Luxor. Relax, enjoy a swim in the pool and chill out in the sun on deck this morning. Let your troubles melt away as we cruise the River Nile to Luxor. Home of the legendary Valley of the Kings and Temple of Karnak, 4000 year-old Luxor is ancient Egypt at its best. Arriving into Luxor this afternoon the rest of the day is free to explore the city before we spend our final night aboard the cruiser. **Overnight - Nile Cruiser (B, L, D)**

**Day 7 : Luxor**

This morning we disembark and check into our 5 star Luxor hotel. The day is free to enjoy the hotel facilities, relax and explore. Tonight, we have the opportunity to visit Luxor Temple with dinner afterwards. Built by Amenophis III, Luxor Temple looks stunning at night when it's illuminated by hundreds of lights. Book/pay locally at approx USD$25 including entrance fees and buffet dinner. Remainder of the evening is at leisure. **Overnight - Luxor (B)**

**Day 8 : Valley of the Kings**

This morning we cross to the West Bank of the Nile for the day's touring. An early start allows us to avoid some of the fierce heat as we venture to the awesome Valley of the Kings. The first monument you'll see on the West Bank is the imposing 18m-high Colossi of Memnon, which represent the remains of the temple of the henchion Amenophis III. The Valley of the Kings is studded with often highly decorated pharaoh's tombs, some of which you can enter. Some of the tombs are so well preserved; the colours of the incredible pharaonic friezes are still as vibrant as when they were first painted. The best known tombs are those of Ramses II, Seti I, Amenhotep II and of course, the tomb of King Tutankhamun.

After the Valley of the Kings we visit Deir al-Bahri, otherwise known as the Temple of Queen Hatshepsut. Rising out of the desert plain, in a series of terraces, it is one of Egypt's finest and most photographed monuments. A short stop will also be made at an Alabaster workshop. Stone carving is a trade that has existed on the West Bank since pharaonic times. Carving the stone is a trade passed on generation after generation, for most residents of the west bank and is their sole trade and income.

We return to the East Bank around midday, where we have a chance to relax by the hotel pool. Meeting up mid afternoon, we visit the colossal Temple of Karnak. More than a temple, Karnak is a spectacular complex of sanctuaries, pylons, chapels, halls and obelisks, all dedicated to the Theban gods and to the greater glory of Egypt's Middle and New Kingdom rulers. Spend the rest of the day at leisure.

Note: The Valley of the Kings ticket includes entry to 3 tombs. A subset of the 64 tombs at the site are open at any point in time and your guide will offer advice on the best ones to visit on the day. The tomb of King Tutankhamun is nearly always open and requires an additional entrance fee to visit. **Overnight - Luxor (B)**

**Days 9-11 : Hurghada by the Red Sea**

Luxor - Hurghada. Mid morning we depart Luxor heading east to Hurghada part of the beautiful Red Sea Riviera for 3 days on the beach. The reminder of today, day 10 and day 11 can be spent exploring Hurghada or simply relaxing. There is the option to go snorkelling on day 10 but the rest of the time it's up to you! Hurghada is one of the Red Sea's most popular resorts and it is easy to see why. Hotels and expanded infrastructure provide holidaymakers with excellent aquatic facilities for sail boarding, yachting, deep-sea fishing, SCUBA diving and snorkeling. Hurghada's central location provides a gateway to prime offshore reefs, which are some of the finest in the world. Hurghada also has a healthy after dark scene. For retail therapy, the town has plenty of shops selling knock-off bags.

Tip Kitty
At the start of your tour we will collect a tip kitty (the amount is noted under exclusions) from all tour participants to cover tips throughout your holiday. This saves you the hassle of knowing when and how much to tip bellhops, luggage luggers, bus drivers, antiquity guards, train conductors and other support staff throughout the tour.

This amount does not include a tip for your tour guide. For a job well done, we would suggest USD$5 - 7 per day for your tour guide. Tipping your guide and crew is an entirely personal gesture and ultimately the amount is up to you.

Your tip kitty in Egypt is collected in Egyptian Pounds (EGP). If you are travelling to Jordan, the tip kitty for this part of your holiday is collected in Jordanian Dinar (JD).

In Israel we do not collect a tipping kitty. As a guideline we recommend that you budget USD$5-7 per day per traveller for your guide and USD$2-3 per day per traveller for your driver.

Travelling By Overnight Train
For journeys between Cairo and Aswan and/or Luxor on our Signature tours, and from Luxor to Cairo on our Budget tours, we utilise the overnight 1st class sleeper train service (excluding Treasures of the Nile). A basis breakfast is served in the morning and tea and coffee is offered complimentary. There is a bar carriage located toward the centre of the train where hot and cold beverages can be purchased, and sometimes alcohol. The sleeper train is the highest class of rail travel available in Egypt, though by western standards it would be considered of a moderate standard.

We always request our cabins to be side by side in the same carriage, though ultimately the location of our cabins, and whether they are together rests with the rail authority.

If you are a solo traveller and have opted to share a room for your tour and not pay the single supplement you will be sharing a cabin with another On The Go traveller, or if this isn’t possible, a member of the public (of the same sex).

Currency
The currency of Egypt is the Egyptian Pound.

Pound Sterling, US Dollars, Euro and other major currencies can be exchanged in Egypt. Exchange facilities are available at most hotels and all major towns have ATMs.

It’s advisable to request notes in smaller denominations, as it can sometimes be hard to get change from large notes and smaller notes are handy for smaller purchases and gratuities. Traveller’s Cheques are not recommended as they’re often difficult to exchange.

Health Requirements
You should seek medical advice before travelling to Egypt from your local health practitioner and ensure that you receive all of the appropriate vaccinations. As a guide Tetanus, Diphtheria, Typhoid, Hepatitis A and Rabies are strongly recommended. As tap water is not safe to drink in Egypt, only drink bottled mineral water which is readily available in hotels, shops and restaurants.

Climate
Temperatures in Egypt are generally high (25 - 30 degrees) and even hotter in the summer months from May to September, when the sun can be fierce and temperatures soar, so pack light comfortable clothing, sunscreen and a hat.

In Cairo and the Nile Delta region, winter (October to February) can be cooler - so take a jacket, long-sleeved tops and trousers for the cooler evenings. The south remains warm during this time but again, temperatures do drop in the evenings. Rainfall is negligible with the most falling along Egypt’s Mediterranean coastline.

Time & Voltage
Egypt is 2 hours ahead of Greenwich Mean Time (GMT). Standard voltage is 220 volts. Primary sockets require the European, 2 pronged variety. We recommend that you pack a universal travel adapter. You will need a voltage converter, and plug adapter in order to use U.S. appliances.

Camera Fees
At some sites there is an additional fee for use of a camera or video. Camera/video (not professional) fees range between USD$3 – 30 per site. There is no fee for taking as many photographs as you like at the Pyramids and Saqqara. The cost for using camera inside Valley of the Kings (though not permitted inside the tombs) is approx. USD$18. The cost for photographing the treasures inside the Egyptian Museum is USD$6

Essential Packing
• Towel for the felucca (if applicable to your chosen tour)
• Lightweight cotton garments
• Comfortable walking shoes for the Pyramids and Valley of the Kings. Pack flip flops/thongs/jandals to wear aboard the Nile felucca or Nile Cruiser
• DEET based mosquito repellent a nd antihistamine cream
• 2 pin, European electrical adaptor
• A small daypack for your day-to-day needs
• Sunsglasses, hat, sunscreen, swim costume and torch
• Sleep sheet or sleeping bag if travelling with us on the felucca or onward to Jordan. Felucca (Egypt): We suggest hiring locally a freshly laundered winter warmth blanket for USD$15 (total) for the 2 night stay.

If doing a felucca cruise or travelling between November and March, pack warm clothes (i.e. fleece, jacket, trousers, jeans, hat and scarf) as temperatures plummet at night.

Troubleshooting
These things will most likely never happen, but it’s good to be prepared if they ever do. Here are a few tips to keep your trip hassle-free. Egypt is no worse than anywhere else when it comes to crime. Minimise your chances of being robbed with these tips:

• Leave valuables in the hotel safe deposit or better still, at home
• Keep bags locked at all times with a combination/padlock. Bags should also be locked when being transferred in vehicles, onboard the train, felucca or when taking a flight.
• Carry your passport on your person
• Carry spare passport photos & a photocopy of your passport
• Carry your bag close to your person rather than over your shoulder
• Travel in a group or pair, especially if you are female

Please note On The Go Tours will not be held liable for loss or damage to personal property under any circumstances.

Etiquette
Despite the inevitable ups and downs of travelling abroad, you will generally be shown great hospitality in Egypt. In return, please demonstrate sensitivity and respect for the local customs. Egypt is a Muslim country, so care should be taken to dress respectfully in large cities and towns, for example, when at markets and in public places.

• Ladies should avoid wearing ‘clingy, tight or suggestive’ attire, and stick to cool, flowing, cottons in busy city areas and markets
• Take care to dress conservatively and ensure that limbs are covered and remove footwear prior to entering a mosque
• Ex-military style clothing should not be worn
• Ask permission before taking photographs of people
• The standard form of greeting is a handshake. Men and women do not kiss at any time as a form of greeting.

Ramadan
The majority of the Egyptian population is Muslim (approx 86%), with a small minority of Jews and Christians. Ramadan is a month of fasting observed by Muslims in Egypt and throughout the world and adherents of the Muslim faith fast during daylight hours and break their fast with lavish meals and lively celebrations in the evening. Ramadan culminates a month later in a 3 day celebration called Eid al - Fitr. Many shops (excluding those which cater mainly to tourists) and attractions close earlier during Ramadan. As

It’s not like home

Travel to far - flung corners of the earth involves lifestyles and conditions that are sometimes very different from what you are used to back home. You must come prepared to cope with unusual situations, local inadequacies and unpredictable events as and when they occur. Foreign travel is definitely not suitable for people who expect or demand everything to go exactly as planned. With the greatest respect and in the interest of your ultimate enjoyment you must understand this. Things can and do change in foreign countries.

Shopping

Egypt is a virtual Aladdin’s Cave. While Cairo’s Khan al-Khalili bazaar is cavernous and full of unusual and everyday objects, smaller souqs and bazaars abound in other towns, too. Top buys include - perfume concentrate, carpets and rugs in innumerable hand-loomed designs, backgammon boards, hand-crafted shisha pipes, Pharaonic objects fashioned in marble and alabaster, Egyptian cotton clothing and of course - authentic papyrus.
